

Leaf & Yard Waste Belongs in the Compost!

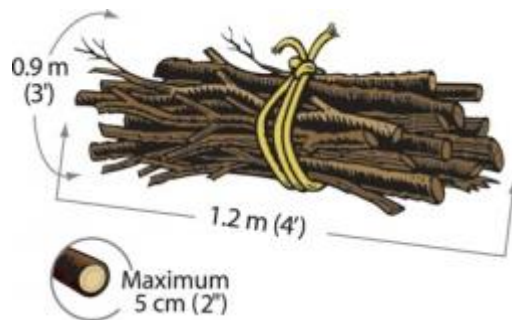

Yard waste (brush, leaves, weeds, grass etc) is only accepted with compost and not your regular garbage. **Yard Waste packaged in black or coloured bags will not be collected.**

Acceptable packaging for Yard Waste:

- Compost Cart
- Brown paper bags
- Compostable or clear plastic bags
- Brush & twigs can be bundled and tied with string. Bundles should be less than 4' in length. Branches no more than 2' in diameter.

Remember:

- Place leaves and small twigs in your compost cart
- The lid must be closed
- No items can stick out of your cart
- Maximum weight of cart: 50 kg or 100 lbs
- Additional leaves can be placed in brown paper bags, compostable or clear plastic bags and placed beside your compost cart.

Branches or twigs

- Maximum diameter 2" (5 cm)
- Cut into 4' (1.2 m) lengths and place in cart or
- Tie with string and set beside the cart
- Compost Cart plus 2 additional items (twig bundles or compostable bags) are acceptable.

Materials NOT accepted:

- No rocks, bricks, tree stumps, painted or treated wood.
